

Description of partner DTU Environment, Stefan Trapp

Prof. Stefan Trapp: Dr. rer. nat. at the TU Munich 1992, Dr. habil. at the mathematics department, University Osnabrück 1998. Since then associate professor at DTU. Dr. Trapp has authored or co-authored more than 130 scientific publications, hereof 5 books, and more than 30 ISI publications in the last 5 years. His work focuses on the chemodynamics of pollutants in the environment, in particular in the groundwater-soil-vegetation-air system.
